To the editor:

I am writing this letter in support of Jayme Stevenson for First Selectmen of Darien. Jayme has always been a fair and non-partisan leader for Darien.

In the six years she has led this town I never gave it a thought of which party she belonged to because she never played party politics. Looking out for Darien is her only priority.

Whether she is at the helm steering us through a major storm or fighting for us in Hartford, Jayme has always put Darien first.

Her track record in Darien speaks for itself. She deserves two more years as our leader. Please vote for Jayme Stevenson, Kip Koons, and Susan Marks on Nov. 7.
