Local artist Vicki French Smith will display a colorful collection of landscapes and seascapes, including scenes of Darien, for her new exhibit opening Thursday, September 20th at the Darien Nature Center.

The public is invited to enjoy a free wine and cheese reception starting at 6:30 p.m. to see and purchase pieces from “Motion by Nature.” Thirty percent of sales will be donated to the Nature Center.

“Painting has opened a new world to me. I see things through new eyes,” French Smith says.

“Creating artwork lets me relive the experiences of my travels through recreating, reinterpreting, and reinventing the places I love! My hope is to pass on these rewards of inspiration to others.”
