The Darien Public Works Department has announced its fall 2019 leaf pickup schedule, which takes place on three different days in November and December, although the days depend on the part of town where your home is.

Please note the following important reminders:

—Leaves will only be picked up if bagged and bags are made of paper. Loose leaves or leaves in plastic bags will not be collected. Please check your local hardware or big box store and supermarket for availability. Some paper bags are not marked 100% Biodegradable. We will collect paper bags that are commonly purchased from suppliers such as Home Depot, Lowes, Rings End Lumber or other supplier provided bags are obviously made of paper.
