Our friend Franchesca Biondo has stepped in to sponsor a sweet southern Boxer/Pit mix dog who is about a year old, heartworm negative, spayed, fully vetted and needs a home.

Franchesca tells us that Coco is good with most dogs and older children.

“She has a very nice disposition,” Franchesca said, adding that Coco is quiet but loves to play, too.

She was surrendered by her owner along with a German Shepherd, who went to rescue without her.

“Could not bear to have her put down because she was left behind,” said Franchesca who jumped in to sponsor this sweet girl until placement is found.

Franchesca said she hopes Coco will either find an adoptive family or a sound rescue. Contact Franchesca to help find Coco a loving home, [203 559-1498](tel:2035591498).
