The new kindergarten class of “2031” began their 13-year journey with the Darien Public Schools on Thursday, Aug. 30.

Joined by their parents, they had an opportunity to meet their smiling teachers and classmates for the first time.

Can you think back to your first day of kindergarten? As with most things in life, some things change and some things stay exactly the same.

Smiles, tears, giggles. Repeat. Smiles, tears, giggles. It’s going to be a great year!

“Everything I need to know ... I learned in kindergarten.” — Robert Fulghum, *All I Really Need to Know I*
