The Exit 35 ramp from the southbound-traffic side of the Merritt Parkway, Route 15, will be closed leading to High Ridge Road on Tuesday night, April 19.

The on-ramp there, leading to the southbound-traffic lanes will also be closed, the Connecticut Department of Transportation announced. The reason: "in preparation for milling and paving."

The closure will start at 7 p.m. Tuesday and last until 6 a.m. Wednesday.

Here's [the full announcement](#) from the department:

The Connecticut Department of Transportation is announcing the nighttime closure of the Merritt Parkway Exit 35 Southbound On and Off-Ramps on Tuesday, April 19, 2016 in preparation for milling and paving.

The overall project consists of safety improvements, resurfacing, enhancements, and bridge improvements on the Merritt Parkway (Route 15). The Exit 35 Southbound ramps will be closed to reset the existing drainage structures in preparation for milling and final paving.

DOT Project No. 0135-0270 was awarded to O&G Industries at a cost of \$53,031,742.62 on July 23, 2013 and is scheduled to be completed by November 2016.
