**Date :** May 27, 2019

[The Children’s School](#), an independent primary school in Stamford enrolling children age 3 to 8, is hosting an open house this Friday morning, May 31.

— *an announcement from the* [Children's School](#)

During the open house, guests will have a chance to tour the school’s beautiful LEED-certified buildings, meet staff and learn more about innovative programs.

Those who are dedicated to nurturing young children take pleasure in seeing those minds and personalities blossom, in all their individuality.
