Update 5:32 p.m., Monday:

The school district has made some changes to the bus route schedules by adding back some stops that had been removed in a new scheduling system. Superintendent of Schools Dan Brenner says the changes are "very limited."

The [school district website](#) will have updated information, he said, although as of this point the information on changes to bus route schedules is difficult to find on the website. (We just looked, and we couldn't find it.) The information should be easier to find starting Tuesday, Brenner said.
