Art will stand and sit on display Saturday for the annual show at Grove Street Plaza, but it will also dance and be heard.

Ballet from Go Figure will be performed at noon (and give away grip socks while supplies last), followed by a 1 p.m. performance from a certified instructor from Club Pilates, which is opening soon in the former location of Panera Bread. (They'll be giving away bottled water to visitors while supplies last.)

These are the latest additions to the performance schedule at the Darien arts festival, which features painters, photographers and other artists displaying their work, along with food for sale and, it appears, sunshine and temperatures getting up to 83 degrees (get that bottled water).

"My goal is creating a free art event which everybody can come and enjoy," said Darien artist Nobuku "Nobu" Miki, who organized the annual show. "I got live string music, flower arrangement show, magician, kids art show, kids French lesson from a native, and now I've added performance art.
