The Actors/Playwrights Workshop welcomes all interested playwrights and actors, with or without experience, Actors Equity actors and non-Equity actors, to join. The sessions offer actors and playwrights the opportunity to work together to create original theatrical works in a supportive and creative environment,

The workshop culminates in a June 10 program which will feature four staged performances.

Co-founded by the late Catherine Lindsey and her husband Robert, the workshop introduces original plays in progress to be developed in a workshop environment with the goal of the public-staged readings. Catherine Lindsey was a beloved friend of the Library and director of Darien Library Theater for over 25 years.
