—Vehicles will be parked on both sides of Nutmeg Lane and High School Lane facing away from Darien High School.

—Motorists are asked to pay particular attention to posted “No Parking” areas. Previous experiences have resulted in illegally parked vehicles blocking driveways or restricting access to emergency vehicles. Improperly parked vehicles causing restrictions of this type will be towed.

—As on-site parking is limited for an event of this type, all attendees and guests are requested to carpool.

Thank you in advance for your cooperation.
