Called to Specs eyeglasses store after a burglar alarm was set off, police found the glass front door had been smashed, along with some display cases.

Police gave these additional details:

Police were alerted at 11:45 p.m., Tuesday, April 13. Inside the store at 1 Tokeneke Road (at its corner with the Post Road), officers saw that some merchandise appeared to be missing.

Video surveillance records, reviewed later, showed two suspects break the front door to get in. Police provided no description of the two.
