Registration for Darien Summer School and Enrichment's 2020 season has begun, with popular programs coming back for another year, new courses and, for the first time, programs from the Happy Coding Club.

— *an announcement from* [Darien Summer School](#)

This year the program will run from June 29, 2020 to July 31, 2020 with Friday, July 3 off in observance of the July 4th holiday.

DSS will continue to offer popular programs such as Musical Theater Workshop, football camps, All Things Harry Potter Camp, Sports & Art Camp, and Summer PALS along with exciting new camps.

New additions to the course catalog include Disney Mania, Little Chefs, Kids Who Changed the World (and

how you can too), and a 2 day College Application and Essay Workshop.

Happy Code Club will also be offering programs through DSS for the first time this summer; offerings include Journey into Coding and Robotics, Game Design, and Learn to Code for Virtual Reality.

With over 200 options for children ages three to eighteen, there is something for everyone. Come explore a new path with DSS this summer!

Visit the [Darien Summer School website](#) for more information regarding classes and to register.
