SCORE Presents 5-Part Webinar on Managing Technology In and Outside Your Office

Author : David Gurliacci

Categories : [Business](#), [Talks-Panel Discussions-Presentations-Workshops](#)

Tagged as : [Bud Freund](#), [SCORE 2021](#)

Date : April 4, 2021

Need to upgrade your technology skills? The Darien Library and SCORE present a 5-part webinar series to bring you up to speed on the tools you need to succeed both in and outside your office.

Is technology taking control of your life and home? In this webinar, parents will learn tips, tricks, resources and strategies for managing technology in your family.

About The Presenter

Bud Freund has been self-employed for 40 years. After graduating from Ithaca College, his national and international assignments were from corporate, magazine and public relations clients.

He has been providing IT solutions to homes and small businesses for over 20 years. He currently teaches Technology Life Skills at King and manages the Bi-Cultural Hebrew Academy network.

As a Certified SCORE Mentor, he regularly presents technology webinars and workshops throughout Fairfield County.
