Tickets are on sale now for this outstanding event, where golfers enjoy a fun day of world-class golf at Rockrimmon Country Club while supporting the SilverSource “Ride to Wellness” and “Housing Stability” programs.

Enjoy a high-spirited day networking with fun-loving professionals, friends and family. The shotgun start tournament includes brunch, a post-tournament reception and a seated dinner.

Golfers compete for trophies for everything from a first-place finish to the longest drive, and participate in a hole in one contest with a chance to win a car. Non-golfers are invited to join the fun for cocktails and dinner.

Registration begins at \$500 for individual golfers, \$1,500 for foursomes and \$125 for dinner. Visit [this Web page](#) for additional details and to purchase tickets.

The event will honor Rick Silver, senior partner of Silver Golub & Teitell, an advocate and supporter of those in need. Long recognized as a leader of the litigation bar in the state of Connecticut, he has been listed in Best Lawyers in America for the last 25 years. Mr. Silver has also been included in Connecticut Super Lawyers since its inception.

“As our only spring fundraising event, this tournament provides vital funds for the personal and compassionate services we provide to older adults in Stamford and the surrounding communities,” said Kathleen Bordelon, executive director of SilverSource.

“These funds ensure that seniors have a roof over their heads and transportation to their medical appointments. Join us for a fantastic day of golf that will change lives this year!”

A variety of high visibility sponsorship packages are available, [visit this Web page](#) to learn more or call Marianne Delaney at 203-324-6584.

SilverSource would like to thank its generous sponsors, including First County Bank, Silver Golub & Teitell and media sponsor, Stamford Magazine/Moffly Media.

SilverSource programs and services are critical to the health and wellbeing of those in need, preventing homelessness, destitution and health crisis for more than 2,000 older adults each year.

Support directly benefits older neighbors in Stamford and the surrounding communities. SilverSource proves a safety net for older adults living in poverty, during times of hardship, or in need of guidance, sometimes when there is nowhere else to turn.

Supporting SilverSource provides assistance to keep a roof over their heads, the heat and lights on, and to get the medical care they need.
