The Skyliners Synchronized Skating Team traveled to the 2019 Eastern Synchronized Skating Sectional Championships.

Their mission: to perform their best and earn the coveted spots to the National Championships.

All Skyliners qualifying lines ended up on the podium — Novice and Juvenile earned Gold and Intermediate captured Silver in a field of tough competitors.

More than 2,100 synchronized skaters gathered in Worcester, Massachusetts to compete at Easterns. Of those, Skyliners sent 9 lines and 170 skaters ranging in age from 8-18.

“We are so proud that each of our lines performed at the top of their game at Easterns and that all of our qualifying lines earned a place at the 2019 National Championships,” said Josh Babb, Skyliners head coach and director of synchronized skating. “Now we’ll be working hard to get ready for Michigan!”

The team will now devote the early part of February to preparing for the 2019 U.S. Synchronized Skating Championships, which will take place in Plymouth, Michigan from Feb. 28 to March 2.

In the three non-qualifying divisions they entered, Skyliners took all three Preliminary, Pre-Juvenile and Open Juvenile Championships.

“To have our talented skaters on Skyliners earn medals at Easterns was amazing,” said Sarah LeBlanc Blosat, Skyliners director of non-qualifying lines. “For many of our younger skaters, this was their first Easterns Championship and an exciting culmination to all their practice over the season.”

Of particular note, this year marks the first that Skyliners entered not one but two lines in the Open Juvenile category — Skyliners and New Jersey Skyliners. Both lines medaled – earning Gold and Bronze respectively.

- JUNIOR: Maggie Brooks, Mia Sparks (line didn't compete at Eastern)
- NOVICE: Mae Archie (gold)
- JUVENILE: Abigail Hurst (gold)
- PRE-JUVENILE: Sadie Archie, Morgan Dweck (gold)
- PRELIMINARY: Meisha Butler (gold)
- BEGINNER: Madeline Wren (line didn't compete at Eastern)

Skyliners also entered two lines in the PreJuvenile division: Skyliners and New Jersey Skyliners. The lines took 1st and 2nd place. In another milestone, the Skyliners Juvenile line was crowned the Eastern Champions for the 9th year in a row, a modern synchro record.

In addition to Skyliners Juvenile, Intermediate and Novice — who all qualified for these Championships — Skyliners TEAM USA Junior and Senior lines earned “buys” to Nationals and will be traveling there as well.
