The Staples store on Richards Avenue, near Route 1 not far from Darien, is about to close — not for the snow, but forever — with its last day open on Saturday, Feb. 11, the store has announced.

The store's shelves are already emptying out, and signs are up announcing the upcoming closure.

There aren't a huge number of items on sale, but after a reporter's purchase there (with a Staples business card) on Thursday, the register receipt offered 50%-off coupons: \$10 on a \$20 purchase and \$30 off of a \$60 purchase.

The office supply chain's [store in the Ridgeway Shopping Center](#), 2299 Summer St., Stamford, remains open and is now the closest Staples to Darien.
