Darien's Got Talent, the highly anticipated talent competition for ages 10 through adult, is returning to Darien in the spring of 2016.

The fund-raising event for the Darien Arts Center features accomplished entertainment industry professionals as judges for the auditions and finals.

New this year: prizes will be awarded for the top three adult and top three student winners.

The 2016 competition will take place on June 25. There is plenty of time for contestants to get their acts together for auditions taking place the third weekend in May.
