To the editor:

Our gratitude, trust and vote once again goes to Terrie Woods for state representative.

Terrie always has Darien's back and is tireless in pursuing the right course and resources for our wonderful town.

She is known for practicing fiscal prudence and will work hard to ensure the recovery, viability and success of our local merchants and small businesses.

Terrie brings soundness, sensibility, honesty and ethics to our local government, something that should appeal to all Darien residents regardless of their political affiliation.

Please join us and support Terrie Wood for state rep in the November election.
