About This Series

- The profiles in this series were presented at the 2019 volunteer recognition luncheon held at the [Darien Community Association](#) and recorded (in [this video](#)) by Darien TV79.
- Darien runs on volunteers — from our churches to our town government, schools, political parties, sports teams, three fire departments and our local nonprofits. They're the largest part of what makes this town a community. We should all encourage them and thank them.
- Darienite.com is running this series now, while more people are thinking about whether they want to volunteer in the upcoming year.
- Each article presents the description provided about that volunteer (or sometimes more than one) as provided by an organization that benefited from that person's efforts.
