He has been a tireless advocate for ever-expanded programming, bringing the station's coverage of town meetings to Facebook and YouTube.

His extensive technical knowledge and calm demeanor have helped TV79 achieve its most extensive coverage since its founding in 2007.

About This Series

- The profiles in this series were presented at the 2019 volunteer recognition luncheon held at the [Darien Community Association](#) and recorded (in [this video](#)) by Darien TV79.
- Darien runs on volunteers — from our churches to our town government, schools, political parties, sports teams, three fire departments and our local nonprofits. They're the largest part of what makes this town a community. We should all encourage them and thank them.
- Darienite.com is running this series now, while more people are thinking about whether they want to volunteer in the upcoming year.
- Each article presents the description provided about that volunteer (or sometimes more than one) as provided by an organization that benefited from that person's efforts.
