(The police announcement didn't say so, but you should probably expect a bit more traffic on the Post Road in Noroton — something to especially keep in mind if you're trying to get to church on time (St. John Roman Catholic Church Mass starting at 11:30 a.m.)

Drivers and residents in the area can expect short-term delays and detours along the race route. Police personnel will be positioned along the route to help the flow of traffic and the safety of the runners.
