It took about a minute for a thief to steal leaf blower in a trailer parked [on Deerfield Road](#) on Saturday, Nov. 6, according to police.

The victim noticed that the Redmax leaf blower was missing, and a resident having leaves picked up took a look at surveillance video, which showed the theft, police said. The incident was reported in a call to police at 12:11 p.m.

At 11:20 a.m., a dark car pulled up to the trailer, a person wearing a dark hooded sweatshirt and jeans got out and could be seen taking the leaf blower and putting it in the vehicle's trunk, then driving off at 11:21 a.m.
