Three different levels of fright are offered for children of all ages at Darien EMS-Post 53's haunted house on Sunday. Once again, the Halloween event will have games, treats and crafts for all.

There's something for parents and other members of the community as well at the annual event: It's also an open house for the community, featuring ambulance tours and the opportunity to learn hands-only CPR.

It's all free (donations are welcome), and takes place from 2 to 4 p.m. on Sunday, Oct. 25 at Post 53
