happens. Here's part of it, from [this Web page](#) on the district website:

- The decision to have a TWO HOUR delayed opening is based upon the available information that travel and weather conditions are expected to sufficiently improve to open schools. However, parents should continue listening to designated radio and TV stations following the announcement of a delayed opening. If travel conditions do not improve or if they worsen, the delayed opening may be changed to a full day closing. Any such change will be communicated via the media and website sources.

Anyone can get the district's school closing announcements directly in phone texts, according to the same Web page:

- If schools must be cancelled [or delayed] due to weather-related emergencies, the decision will be made no later than 5:30 a.m. You can expect the announcement of the cancellation within a half hour on radio and TV stations, as well as on [our website](#).
