Victoria was invited to attend the Massachusetts Institute of Technology (MIT), graduating in 1984 with a Bachelor of Science in Chemical Engineering, with a minor in French language and literature.

Following graduation, Victoria began a career as a consultant and manager to the international chemical industry, including the Rhone-Poulenc and Unilever companies.

After 20 years of work and travel in the corporate world, Victoria was called to pursue her lifelong passion for the culinary arts. Victoria became a private chef, sharing her talent in fine dining and entertainment that her friends and family had so long enjoyed.

Victoria's beautiful green eyes and ready smile captivated all who met her, along with her adventuresome spirit, and conversation that ranged from art, music, faith, and politics, to travel, architecture, fashion and much more.

Victoria was a thoughtful, generous and inspiring friend to many, who will remember her as always willing to listen and lend her problem-solving abilities to any situation.

Victoria was devoted to her faith in the Lord, and her beloved feline family: Romy, Julian, Montana, Savannah and Paris. Victoria will be remembered especially for her service to St. Luke's Parish, particularly at community suppers and her care and nourishment to the choir during their very active holiday schedules.

Victoria is survived by her brothers Walter Rodak of Phoenix and his wife, Diana; Daniel Rodak of Milford; Kristopher Rodak of Portland, OR and his wife, Jill; and nieces Katarina and Kyra.

A Celebration of Life service will be held at 10 a.m., Saturday, Aug. 25, in the St. Luke's Parish Chapel, 1864 Post Road. Friends are invited to attend.

Those who wish to honor Victoria may make a voluntary donation in her memory to PAWS, ([Pet Animal Welfare Society, Inc.](#)), 504 Main Ave., Norwalk, CT 06851, or to [St. Luke's Parish](#), 1864 Post Road, Darien CT 06820.
