After nearly a decade patrolling the waters off Darien's shores and sometimes rescuing boaters, Darien Police Department is selling its 26-foot, 2007 Glacier Bay 2690 patrol boat to the highest bidder.

The boat, built in 2006 by Glacier Bay Inc. in Monroe, Wash. and a mainstay of the department's Marine Unit, was replaced last month with a new boat, so now the town is selling the "express cruising catamaran" to get back a bit of the money put into it.

The vessel is sold "as is" with no warranty. It has twin Evinrude gas engines with 175 horsepower and a trailer is included.
