Aquarion Water Co. says the water main is in the vicinity of [Seagate Road](#), which is just to the east of the YMCA. In [a 2:07 p.m. announcement](#), the utility said about 20 customers were affected and repairs were expected to be complete by 5 to 7 p.m.

Due to a water main break in the neighborhood, the water will need to be shut off at 9:30 PM this evening. The repairs should take all night, and we intend to open in the morning, fully operational. We apologize for the inconvenience.
