Explore the wonders and spontaneity of painting with water and the numerous ways it can be used for optimum effect.

The instructor, Judith Orseck Katz (known as Judy), will teach participants her techniques and the “secrets” she uses when painting with watercolors and gouache. This class is geared toward all levels of watercolor artists and others who are curious about the medium.

Judy is well known in the region for her gouaches and ceramic sculpture. Her distinct style is a blend of Eastern tradition and Western abstraction. She has taught at Parsons School of Design, Silvermine School of Art, The Metropolitan Museum of Art, and in various schools around the country.

The fee for the seven-session class is \$225. Please note there is a supply list for the class posted online. Visit rowaytonarts.org/classes or call 203-866-2744 (x-2) for more information.
