Webinar for Parents: 'Are You Ready for Re-Entry?' Monday Evening, June 1

Author : David Gurliacci

Categories : [Parents & Kids](#)

Date : May 20, 2020

A webinar to help support parents as we begin to start thinking about re-entering the world after the long quarantine will be held from 7:30 to 9 p.m., Monday, June 1. The event on Zoom is free, but you need to register first.

The presentation is sponsored by the YWCA Darien/Norwalk Parent Awareness and the Community Fund of Darien, with the support of the Thriving Youth Task Force, Darien High School and Middlesex Middle School Parents Association.

“Are you ready for Re-Entry? A Conversation with Parents About Supporting Our Teens” will be presented by Cristina Young, a licensed clinical social worker and parent educator.

Young will provide families with valuable tools, strategies, and scripts to use in this next chapter as we support our teens and navigate this new terrain together.
