You Can Get Darien-Produced Raw Honey Delivered to Your Honey to Benefit P2P

Author : David Gurliacci

Categories : [News](#)

Date : January 31, 2022

Person to Person (P2P), has launched a special St. Valentine's Day fundraising campaign, "Honey 4 Your Honey," offering Darien residents delivery of a one-pound jar of raw honey from a Darien apiary.

A P2P announcement says the "Honey 4 Your Honey gift bundle" includes the limited-edition honey bundled with a custom card "to show your honey that you were meant to bee." All proceeds to benefit P2P and its mission. The cost is \$50.

The local honey was produced and donated by a beekeeper from Darien's Corbin Farm apiary. [The Corbin District](#) is a sponsor of the campaign.

“The work P2P does to support our community is tremendous, and this campaign creates a wonderful way for our Darien neighbors to contribute — and get some amazing local honey produced right here at Darien’s Corbin Farm,” said David Genovese, co-developer of [The Corbin District](#) and CEO of Baywater Properties.

Due to logistics, honey deliveries can only be made in Darien. For people outside the delivery area, bundles may be purchased and picked up at P2P at 1864 Post Road in Darien on Feb. 14.

Or, you may send your honey a virtual *Honey 4 Your Honey* Valentine’s Card. All options benefit P2P and support our mission! Quantities of honey are limited to the first 100 orders.
