Since it's expected that the Representative Town Meeting will have some vacancies going into the Nov. 5, 2019 election, town officials are seeking interested registered voters who can petition their way onto the RTM portion of November's ballot.

The petition process requires that an individual acquire at least 25 signatures of voters residing in his/her district.

Petitions are available in the Town Clerk's Office, and once completed must be returned to the Town Clerk's Office by 4 p.m., Sept. 10 for processing.
