Date : September 29, 2020

The Community Fund of Darien invites you to join others in dining "together" at home on Saturday, Oct. 3 for TCF's fourth 'Community Dinner for a Cause' event.

But to join in, you've got to place your order by 4 p.m., Wednesday, Sept. 30 [at the TCF website](#). The fundraiser supports programs to strengthen the Darien community.

Your dinner features food from Bodega Taco Bar and Carolyn's Absolutely Fabulous Events and drinks from SipStirs.

Proceeds from this dinner will benefit TCF's local nonprofit partners who provide assistance to our most vulnerable neighbors.

TCF will provide free contact-less, doorstep delivery of your meal on Saturday, Oct. 3 between 4 and 5:15 p.m.

Your purchase of \$150/per family feeds 4 to 6 people and includes:

- An assortment of tacos (beef, chicken, vegetarian)
- All the fixins and salsas ready to roll into soft corn tortillas, including Bodega's signature red and green sauces
- Guacamole, chips & pico de gallo
- Blistered brussel sprouts

-

Rice & beans

-

Nut-free cookies provided by Carolyn's Absolutely Fabulous Events

-

Bottle of wine provided by SipStirs

How else can you help? Put together a winter care package for residents at Inspirica and Pacific House of one or two gently used, clean coats or jackets and/or new socks, underwear and mittens (all sizes for adults and children are accepted).

Simply leave your gift of warmth and comfort on your doorstep on Oct. 3 and TCF's amazing food delivery volunteers will collect the bag while delivering your dinner. Thank you for helping our neighbors in need!

Together, we can change lives and strengthen our community.
